5. To consider the 33rd Annual Report of the ICP.

The 33rd Annual report of ICP remains committed for promotion and facilitation of medical education for physicians and particularly Post Graduate Students. The adversity due to COVID infection was converted into an opportunity with virtual educational programs and PG Masterclasses conducted nationwide on a regular basis. The classes have been overwhelmingly appreciated and has been a great value for Post Graduate Students. More than 150 virtual programs have been conducted till date. On an average about 200 to 250 students are attending the classes each time. The Masterclasses have provided a great opportunity to present clinical cases which adds value in preparation for their examination.

South zone /South Mid Zone conducted 52 classes till date with an estimated >15000 logins recorded. These are being conducted under the leadership of Dr Narsimulu and Dr Palaniappan.

West Bengal and North East – conducted weekly classes every Sunday under the leadership of Prof MK Roy and Dr Jyotirmoy Paul. Another highlight was the 1st Annual Conference of ICP-WB on 26th November 2021 in hybrid mode with resounding success and attendance of more than 350 delegates.

Bihar conducted a number of educational programs and held 10 PG Masterclasses under the leadership of Dr Kamlesh Tiwary and Dr D P Singh.

Rajasthan- Under the Leadership of Dr. K K Pareek , Dr Girish Mathur and Dr. Sanjeev Maheshwari, has held a number educational programs and conducted regular PG classes. A very important and popular Virtual 2 Day workshop on “Ventilatory management of ARDS patients” was conducted in collaboration with Critical Care Foundation. The programme was a huge success with more than 300 participants. Another highlight has been an interactive training for final MBBS students for awareness of 3rd wave of COVID-19 on 3rd August-2021 and a workshop on “Virtual Medical Education” by the editor New Indian Journal of Medicine on 16th September-2021. Delhi has also been at the forefront in ICP educational programs and have been regularly conducting programs successfully. We are now conducting fortnightly PG Masterclasses with overwhelming response and have conducted 6 classes till date. Dr NP Singh, Dr DG Jain, Dr MPS Chawla, Dr Atul Bhasin deserve my special thanks for making the program successful. Dr R M Chhabra has also taken a keen initiative in conducting various other programs.

Telangana under the leadership of Dr Narsimulu and Dr Udai Lal was the first to start for ICP programs during my tenure and conducted the first ICP CME “Care beyond Glucose control in Hypertension and diabetes mellitus” on 27 March, 2021, in Hyderabad. They also conducted a hybrid ICP-CME on 9th Oct 2021 “Body of Knowledge“ which was very successful with more than 300 participants.

A number of other programmes were also conducted at different locations. Dr. Shashank Joshi conducted a very popular virtual programme on “COVID 2.0- Mind and Body” in May- 2021. Dr. N K Soni has conducted

6 programmes including “Evidence Based Certificate Course on Insulin Therapy” done in 5 modules from 12 th September to 10 th October 2021.
